## 1 APARTMENT RENOVATION WASTE SOLUTION

We only require an overhead height clearance of 1.8m

### HOW OUR SYSTEM WORKS

**1 DELIVERY TO BASEMENT**  
We deliver your bins to the basement car park or other designated area.

**2 LOAD AT WASTE POINT**  
Wheel the bin into the lift through doorways into the apartment.

**3 COLLECTION & DISPOSAL**  
Once full, we collect or swap your bin and dispose of the waste.

### WHY BUILDERS & RENOVATORS USE HIGH RISE SKIP BINS

#### SAVE LABOUR

Less carrying and manual handling.

#### SAVE TIME

Keep your trades on the job, not at the tip.

#### NO TIP TRIPS

We collect and dispose of all your waste.

#### NO DOUBLE HANDLING

Load once directly at waste point.

#### 20 YEARS EXPERIENCE

Servicing the Gold Coast since 2006.

#### BIN OPTIONS TO SUIT YOUR PROJECT

Internal Access Bins

Basement Car Park Bin

**Why take the rubbish to the bin, when you can take the bin to the rubbish.**

This simple approach saves time, reduces labour and makes apartment renovations cleaner, safer and more efficient.

If you have any other questions please call: Brad - 0422 519 200

## COMMON QUESTIONS

### How long is the bin hire?

Standard bin hire includes 10 days

Extra days available:

- \$20/day after 10 days
- \$50 per day after 21 days.

It is the responsibility of the hirer to contact High Rise Skip Bins via phone call or text once the bins are full.

### Can Internal Access Bins carry heavy waste?

Yes, suitable for tiles, concrete, bricks and heavy waste.

Always check elevator load limits.

### What can go in the Basement Car Park Bin?

Light hard waste only:

- Gyprock
- Cabinets
- Carpet
- General light waste

✘ No concrete / tiles / rubble / dirt

### Can full bins be swapped for empty bins?

Yes - swap service available

Each replacement is charged as a new hire.

**RESPONSIBLE  
DISPOSAL**

## IMPORTANT CONDITIONS

Any waste outside of bin height or length will be removed & left on site upon collection & remain the responsibility of the customer.

Bins are not to be used to transfer waste to trailers, Utes or other company skips.

Bins must remain at delivery address.

Access must be provided for bin collection.

It is the responsibility of the Hirer to contact High Rise Skip Bins once the bins are full or ready for collection.

It is the hirers responsibility to check elevator load capacity. 1 Internal Access Bin full of concrete can weigh as much as 900kgs.

Excess weight charged at current disposal rate.(see pricing page)

High Rise Skip Bins takes no responsibility of damage or injury caused by bins after delivery and or prior to collection.

### PROHIBITED WASTE:

asbestos - paint - liquids  
bagged concrete dust
